Dear Friends,

Thank you for your recent gift to Regent University! Your faithful partnership is powerfully energizing our students as they launch God-driven careers throughout the world.

Curaçao native Marelly Balentina (CAS '20, RSG '22) is one such student. This soccer player and champion track and field athlete was breaking records in the javelin throw and other events when she heard a calling to transfer to Regent University.

“I wanted to be in community of believers and that’s what I found at Regent. It’s been a blessing to study in a place where I can focus on my personal and spiritual growth,” she said. “As a Christian student-athlete, I realized that doing the will of the Lord is more important than winning medals.”

Along the way, Marelly took her passion for athletics off the field to enhance her leadership skills. She served as the president of the Fellowship of Christian Athletes and was the social media manager for the Regent Royals. She is also the founding president of the International Student Organization which helps students from other countries find their footing in their new home.

Marelly received a Bachelor of Science in Criminal Justice and is pursuing a Master of Arts in National Security Studies at Regent University. She hopes her successful path is an inspiration to young athletes and scholars in the Caribbean. Marelly also hopes that she exemplifies her favorite Bible verse from Matthew by letting her light shine before others to glorify the Father in heaven.

Your generous support is vital to students like Marelly and the next generation of Christian leaders who are making a positive impact across the globe. Thank you for your continued partnership and prayers as we pursue our mission to prepare our students to change the world. God bless you!

Sincerely,

Dear Ms. Petrillo,

I was so pleased and surprised to receive the donation for \$160 to our school. We are depositing it in our scholarship account, so it will most definitely be put to good use. Thank you for sending it in a bright red, hand addressed envelope, as I avoided automatically disposing of it!

This gesture will definitely inspire me to refer your company to any interested party looking for a mortgage. What an excellent way to support our community by reinvesting. During these particularly challenging times it is so refreshing to experience generosity and support from your company.

I will share this news with our staff at our next meeting, and again, thank you very much.

Sincerely,

Karen Gordon

Dear Ms. Petrillo,

Northwest Catholic School would like to Thank You for your kind donation of \$89.35, which was received through your Educator Mortgage Program and made on behalf of our teacher, Terrence Johnson. He is a true role model for our students as well as a dedicated educator. Through kindness and generosity, we are able to provide some basic needs, such as supplies and uniforms for our students. We are extremely thankful for your thoughtfulness.

Again, it is with gratitude that we Thank You. Please know your generous gift is much appreciated. May God bless you both in the New Year.

Blessings,

MERRILLVILLE HIGH SCHOOL ATHLETICS

Athletic Director: Janis Qualizza

Athletic Director: Amy Beckham

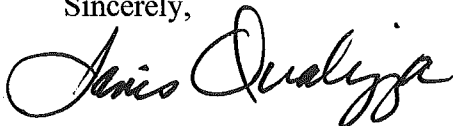

December 14, 2020

Dear Jody;

On behalf of our athletic administration, coaching staff and athletes please accept our sincere thank you for the donation Supreme Lending made to Merrillville High School's athletic department. Since last March we have been operating our programs under Covid-19 guidelines. We have taken a major hit financially as you might imagine during the pandemic. These have been very difficult times for young athletes who look forward to competing in high school sports. Even though our students are learning virtually, we were able to have all of our eight sports compete this fall, which was so positive for the mental health of our students. We are continuing to have winter sports with only parents allowed to attend events. Our gate receipts do not even pay for our workers and officials. We hope that by the spring sports season the virus numbers will be down and we can return to somewhat normal conditions.

Please know that every dollar we receive is most appreciated. Thank you again for thinking about high school sports programs.

Sincerely,

Janis Qualizza
